

Smaller local government bodies in Wales Annual Return for the Year Ended 31 March 2017

Smaller local government bodies in Wales must prepare annual accounts following proper practices as set out in the One Voice Wales/SLCC publication **Governance and accountability for local councils in Wales – A Practitioners' Guide** (the Practitioners' Guide). The Practitioners' Guide states that bodies may prepare their accounts in the form of an annual return prepared by the Wales Audit Office.

The accounts and audit process

The accounts and audit arrangements follow the process as set out below.

Please read the guidance on completing this Annual Return and complete all sections highlighted in red including both sections of the Annual Governance Statement.

Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. Unless requested, please **do not** send any original financial or other records to the external auditor.

Audited and certified returns are sent back to the body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

The following issue(s) have been raised to assist the body. The body is recommended to take action on the following issue(s) to ensure that the body acts within its statutory and regulatory framework.

Payroll

What is the issue?

The P60 completed by the clerk contained the net pay received and not the gross pay, so it was understated by £400.

Why has this issue been raised?

The payroll has not been maintained in accordance with the regulations.

What do we recommend you do?

The clerk should ensure in future that the P60 records the gross pay received for the year.
